

2011-2012 CYCLONE WRESTLING CLUB MEMBERSHIP CAMPAIGN

WE BELIEVE

www.CycloneWrestlingClub.org

Cyclone Fans,

First, we want to thank you for your continued support of the Cyclone Wrestling Club and Iowa State Wrestling! Because of members like you, we are able to ensure that both our current and post-graduate wrestlers receive the best training and competition opportunities possible.

Your membership enabled us to accomplish so much this year:

- **We were able to keep our 2010 NCAA Champion, David Zabriskie and standouts Trent and Travis Paulson on campus to continue their training with the Cyclones which not only helps them accomplish their individual goals but it also helps the wrestling team by giving them great partners to workout with on the mat.**
- **We held a member's only social at Johnny's in Hilton Coliseum and were able to give our members an opportunity to really interact with the wrestlers, coaching staff and other members in an environment that was both intimate and exclusive.**
- **We also were able to upgrade our website and make it more interactive to ensure that members were receiving updates on the happenings with The Club as well as the wrestling program. There are several new items on the CWC website highlighted by our "Ask the Coach" section and "Members Only" section which is coming soon.**

It's a new year and the Cyclone Wrestling Club is thrilled to present our 2011-2012 "We Believe" membership campaign. "We Believe" in our coaching staff, our athletes and our mission and hope that you do too! Our membership year will run from April 1, 2011 and will conclude on March 31, 2012. You won't want to miss out this year as not only is 2011 NCAA Champion Jon Reader staying in Ames to train as part of the CWC but our membership benefits have also been updated and expanded to include access to the Members Only portion of the CWC Website for every level and memorabilia autographed & personalized by our Senior Level Athletes and a printed copy of the ISU Wrestling Media Guide for Olympic Donors.

Our goals and objectives remain the same - we strive to build a strong financial base that allows our athletes to attend training camps and tournaments which strengthens the entire wrestling program through enhanced competition. We are also looking forward to showing you just how much you are appreciated by again hosting great events like our Golf Outing, Kick-Off Dinner and Members Only socials and the addition of new member activities and communications throughout the year.

We will not be successful without your help and urge you to jump on board early and commit yourself to assisting our coaches in sustaining the great tradition of Cyclone wrestling. Please join us in our journey to reach and exceed 500 CWC members this year. As an added incentive, anyone who renews by June 1, 2011 will receive a special gift from the CWC. It is critical that you join now so that we can continue to provide world class training for our athletes. Members that do not join or renew by December 31, 2011 will not be eligible for this season's benefits.

Take a moment and review the enhanced member benefits chart included with this letter and then complete the enclosed CWC membership form. Please return it with your tax-exempt contribution to the address shown or go to www.cyclonewrestlingclub.org and complete the membership application on line.

Sincerely yours,

Membership Committee Directors
